Projection Services

Big screen projection offers a way to provide more entertainment for more people.

Block Party Movies, Special Events, Retirement Parties, Seminar Reinforcement, Wedding Reception Montages, Memorial/Funeral Services, Holiday Parties and more!

Includes a systems operator, sound reinforcement & high resolution video player, bright 2000 lumens video projector & large ultra bright freestanding screen.

Event Videotaping

Productions videotaped with 2 Canon video cameras.

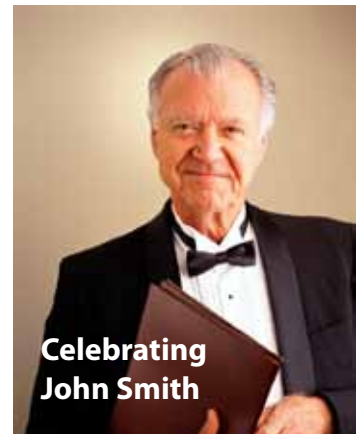

Event production can include Birthdays, Anniversaries, Sports Events, Party Celebrations, Class Reunions, Day in the Life Videos, Community Events, Performances, Graduations, Baptism/Communions, Retirements and more!

Photo Montages

We will create a heartwarming video from your photos/digital CD's that captures **life's special moments forever.**

Wonderful memories and gifts for birthdays, anniversaries, graduations, baby's 1st year, wedding montages, retirements, vacations and more!

A wonderful way to remember loved ones...and don't forget your pets!

Video Vignettes[©]

Do you have a story to tell? A childhood memory, a recent event, your thoughts on politics? Well, why not put it on a DVD and send it to your friends and family? It is an excellent way of staying in touch!

You can talk "off the cuff" or bring notes. You can also bring any props that you might want to talk about. If you want to include one or two photos, no problem—we will scan those and return the originals with your DVD. You need your pet to sit on your lap during the videoshoot, no problem either.

All our DVD's are digitally mastered and professionally packaged.
